# About US

***“Everyone thinks and dreams that his or her home looks like the most beautiful home to others.”***

We are **MERCY KITCHEN & APPLIANCES**, a company that manufactures **Modular Kitchens and Home Decor** to make your dream of a beautiful home a reality.

We customise your **Kitchen & Home Decor** based on your budget and assure quality. The Kitchen is not only a Kitchen, but it's also the **Heart** of the Home, and we decorate that Heart as well as your Home so beautifully with our **well-trained and skilled team** through innovative methods by using the best quality materials.

In addition to this, we give specialised training to our working team to turn the **3D design** into a real picture.

We always show only those pictures to our client that we have already done in reality. We set a deadline to complete a modular kitchen and home interior, and we surely complete it within that period and hand it over to our client.

**We never take it as our deal; instead, we always accept it as your dream.**

OUR MOTIVE

is to turn your Kitchen into  
stylish through  
**Modular Kitchen**

&

is to make your Home looks  
beautiful through  
**Home Interior.**

# Why Choose Us?

With its long history in Indian kitchens, Mercy Kitchen + Appliances has consistently worked to provide housewives with the newest technologies and provide a pleasant and enjoyable cooking experience. We are continuously innovating because we strive to truly understand our customers' demands and requirements. Mercy has developed its leadership in producing better products for its customers by constantly looking into the possibilities of new designs, technologies, features, and innovations for kitchen and house interiors.

Our extensive nationwide network of dealers and service facilities guarantees dependable service and support for the highest level of customer satisfaction. Products from Mercy Appliances promise less fuss and more effective work. Because of this promise and its complete fulfillment, it has become a well-known and adored household name in the nation, making it the obvious choice for its clients.
